

Consistency Score

Sentence Pair	Consistency Score (approx.)
water	0.95
-sun	0.94
-red	0.93
sleep	0.92
-fish	0.91
night	0.90
oman	0.89
tooth	0.88
... 6 pairs omitted ...	
-new	0.85
drink	0.84
-cold	0.83
-kill	0.82
white	0.81
come	0.80
-give	0.79
I-we	0.78

Mean = 0.84

The heatmap displays the consistency of 20 language families across 20 different metrics. The color scale ranges from 0.0 (yellow) to 1.0 (dark red). The language families are listed on the x-axis, and the metrics are listed on the y-axis. The consistency values are generally high, with most cells in the dark red range (0.8 to 1.0). There are a few cells with lower consistency values, such as the intersection of 'Indo-European' and 'Indo-Iranian' (yellow, 0.0), and 'Indo-European' and 'Indo-Germanic' (light orange, 0.2).
